Imagine A Day Without Water Art Contest

Theme: People Power Water

People power water every day. Water professionals keep safe, reliable water flowing, while community members help protect this vital resource through conservation, responsible use, and stewardship — together supporting public health, local businesses, the environment, and future generations.

**Submissions must be received no later than
5:30 pm on October 12, 2026**

Contest Rules

- All entries must convey the theme of the contest: **People Power Water**
